DESCRIPTION

DESCRIPTION

Get glowing in seconds with our Electroluminescent (EL) Panel Starter Pack! This pack contains everything you need for your first EL panel project, even the batteries!

Includes:

- 10cm x 10cm (approx 4"x4") square panel in Aqua
- Portable 4xAAA inverter powerful enough to drive a single panel
- 4 x AAA alkaline batteries to power the inverter and panel for 10 hours

For more information and technical specifications, check the product links of each of the above items!
